- **CEGH GreenGas Platform reached astonishing increases in volume from 3 GWh in 2023 to 88 GWh in 2024 and in memberships by 167%!**

In 2024, CEGH made important progress in supporting the decarbonization of the energy industry. The CEGH GreenGas Platform experienced significant growth, with membership numbers more than doubling and enabling CEGH to support a substantial amount of biomethane transactions.

Gas trading in Central Europe remained robust, with satisfying liquidity playing a crucial role in supporting trading members and customers while ensuring market stability in a challenging environment.

CEGH also marked 15 years of the Gas Exchange in Austria, a major milestone for both the company and the Energy Sector in Austria and internationally.

CEGH extends big thanks to all customers, partners and supporters for their trust and partnership!
